TOXICITY and HUMAN HEALTH ISSUES

Dichlorvos:UK "red list" pollutant www.apps.sepa.org.uk

Widely used as an insecticide to control pests in stored food and in greenhouses, to control insects in domestic and public buildings and to control parasites on livestock and pets. It is a pale orange coloured liquid, which has a sweet pleasant smell. Similar to the action of chemicals used to make 'nerve gas' during the 2nd world war.

Inhalation of air containing high levels of dichlorvos can result in a range of adverse health effects such as nausea, anxiety, restlessness, teary eyes, profuse sweating, muscle tremors, slurred speech, seizures, breathing difficulties and in extreme cases inability to breathe, coma and death. Very toxic to aquatic organisms and moderately toxic to non-target insects such as bees. There is also some concern that it may interfere with the hormone systems- that it is an "endocrine disruptor".

1979 Direct elections for the EP
Strasbourg 17 July 1979 Louise WEISS (1893-1983)

Ladies and gentlemen, elected representatives of Europe, the stars of destiny and the paths of the written word have led me to this rostrum, and given me, as President for a day, an honour of which I would never have dared to dream and the greatest joy a human being can experience in the evening of life: the joy of a youthful vocation miraculously come to fruition. I spoke of the stars of destiny. Allow me to add my political friends, who, familiar with my thinking, have enabled me to gain the confidence of the electors of my own country, France. I spoke too of the paths of the written word -the paths of the pen and of the Law, which in biblical times were one and the same.

As a journalist, writer, and film director, whose words and images have remained at all times faithful to her beliefs, I feel, at this moment, as though my experience throughout this century and my travels throughout the world were destined to culminate in my meeting with you today: I come to you as one who loves Europe and, with your forbearance, I shall try to give expression to the fears and hopes which torment and inspire our collective conscience. Our people hear us today; the two Americas, Asia, Africa and Oceania hear our words. How proud I am to be a European ! Let us together safeguard our most precious asset -our culture and the fraternity it bring us. I ask for your agreement, *votre accord, Ihre Zustimmung, il vostro consenso, Uw akkoord, Deres tilslutning, combaontu*, that this historic day should not end without kindling a new light in the firmament of our civilisation as it embarks upon a new era. May that flame be kindled by you, here in Strasbourg, the symbolic metropolis of the reconciliation of our continent ! (...)

Matthew 5, 43**

Ου μισήσεις τον αδελφόν σου τη διανοία σου' ελεγμώ ελέγξεις τον πλησίον σου και ου λήμη δι' αυτόν αμαρτία. Και ουκ εκδικάται σου η χειρ, και ου μνηεις τοις υιοις του λαού σου, και αγαπήσεις τον πλησίον σου ως σεαυτόν' εγώ εμι Κύριος.

Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, so thou shalt not bear sin on his account. And thy hand shall not avenge thee; and thou shalt not be angry with the children of thy people; and thou shalt love thy neighbour as thyself; I am the Lord.

«Έχετε ακούσει πως δόθηκε η εντολή: «'αγαπήσεις τον πλησίον σου και να μισήσεις τον εχθρό σου. Εγώ όμως σας λέω: Ν' αγαπάτε τους εχθρούς σας, να δίνετε ευχές σ' αυτούς που σας δίνουν κατάρες, να ευεργετείτε αυτούς που σας μισούν, και να προσεδέχεστε γι' αυτούς που σας κακομεταχειρίζονται και σας καταδιώκουν.

Έτσι θα γίνετε παιδιά του ουράνιου Πατέρα σας, γιατί Αυτός ανατέλλει τον ήλιο του για κακούς και καλούς και στέλνει τη βροχή σε δικαίους και αδικούς. Γιατί, αν αγαπάτε μόνον όσους σας αγαπούν, ποια αμοιβή περιμένετε από το Θεό; Το ίδιο δεν κάνουν κι οι τελώνες; Κι αν χαιρετάτε μόνο τους φίλους σας, τι παραπάνω κάνετε από τους άλλους; Μήπως και οι τελώνες το ίδιο δεν κάνουν; Να γίνετε, λοιπόν, κι εσείς τέλειοι, όπως τέλειος είναι και ο Πατέρας σας ο ουράνιος».

“Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy. But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust. For if ye love them which love you, what reward have ye? Do not even the publicans the same? And if ye salute your brethren only, what do ye more than others? Do not even the publicans so? Be ye therefore perfect, even as your Father which is in heaven is perfect”.

PARENTAL ALIENATION

www.breakthroughparenting.com

The Parental Alienation Syndrome (PAS) is a disorder that arises primarily in the context of child-custody disputes. Its primary manifestation is the child's campaign of denigration against a parent, a campaign that has no justification. It results from the combination of a programming (brainwashing) of a parent's indoctrinations and the child's own contributions to the vilification of the targeted parent.

Why do PAS parents act like they do?

I believe that PAS parents have become stuck in the first stage of child development, where survival skills are learned. To them, having total control over their child is a life and death matter. Because they don't understand how to please other people, any effort to do so always has strings attached. They don't give; they only know how to take. They don't play by the rules and are not likely to obey a court order.

When a child is placed in the role of the parent's therapist Alienation advances even further when the alienating parent uses the child as a personal therapist. The child is told about every miserable experience and negative feeling about the alienated parent with great specificity. The child, who is already enmeshed with the parent because his or her own identity is still undefined, easily absorbs the parent's negativity. They become aligned with this parent and feel that they need to be the protector of the alienating parent. ...
