FOCUS  
GROUPS 

## Working Document

7 June 2021

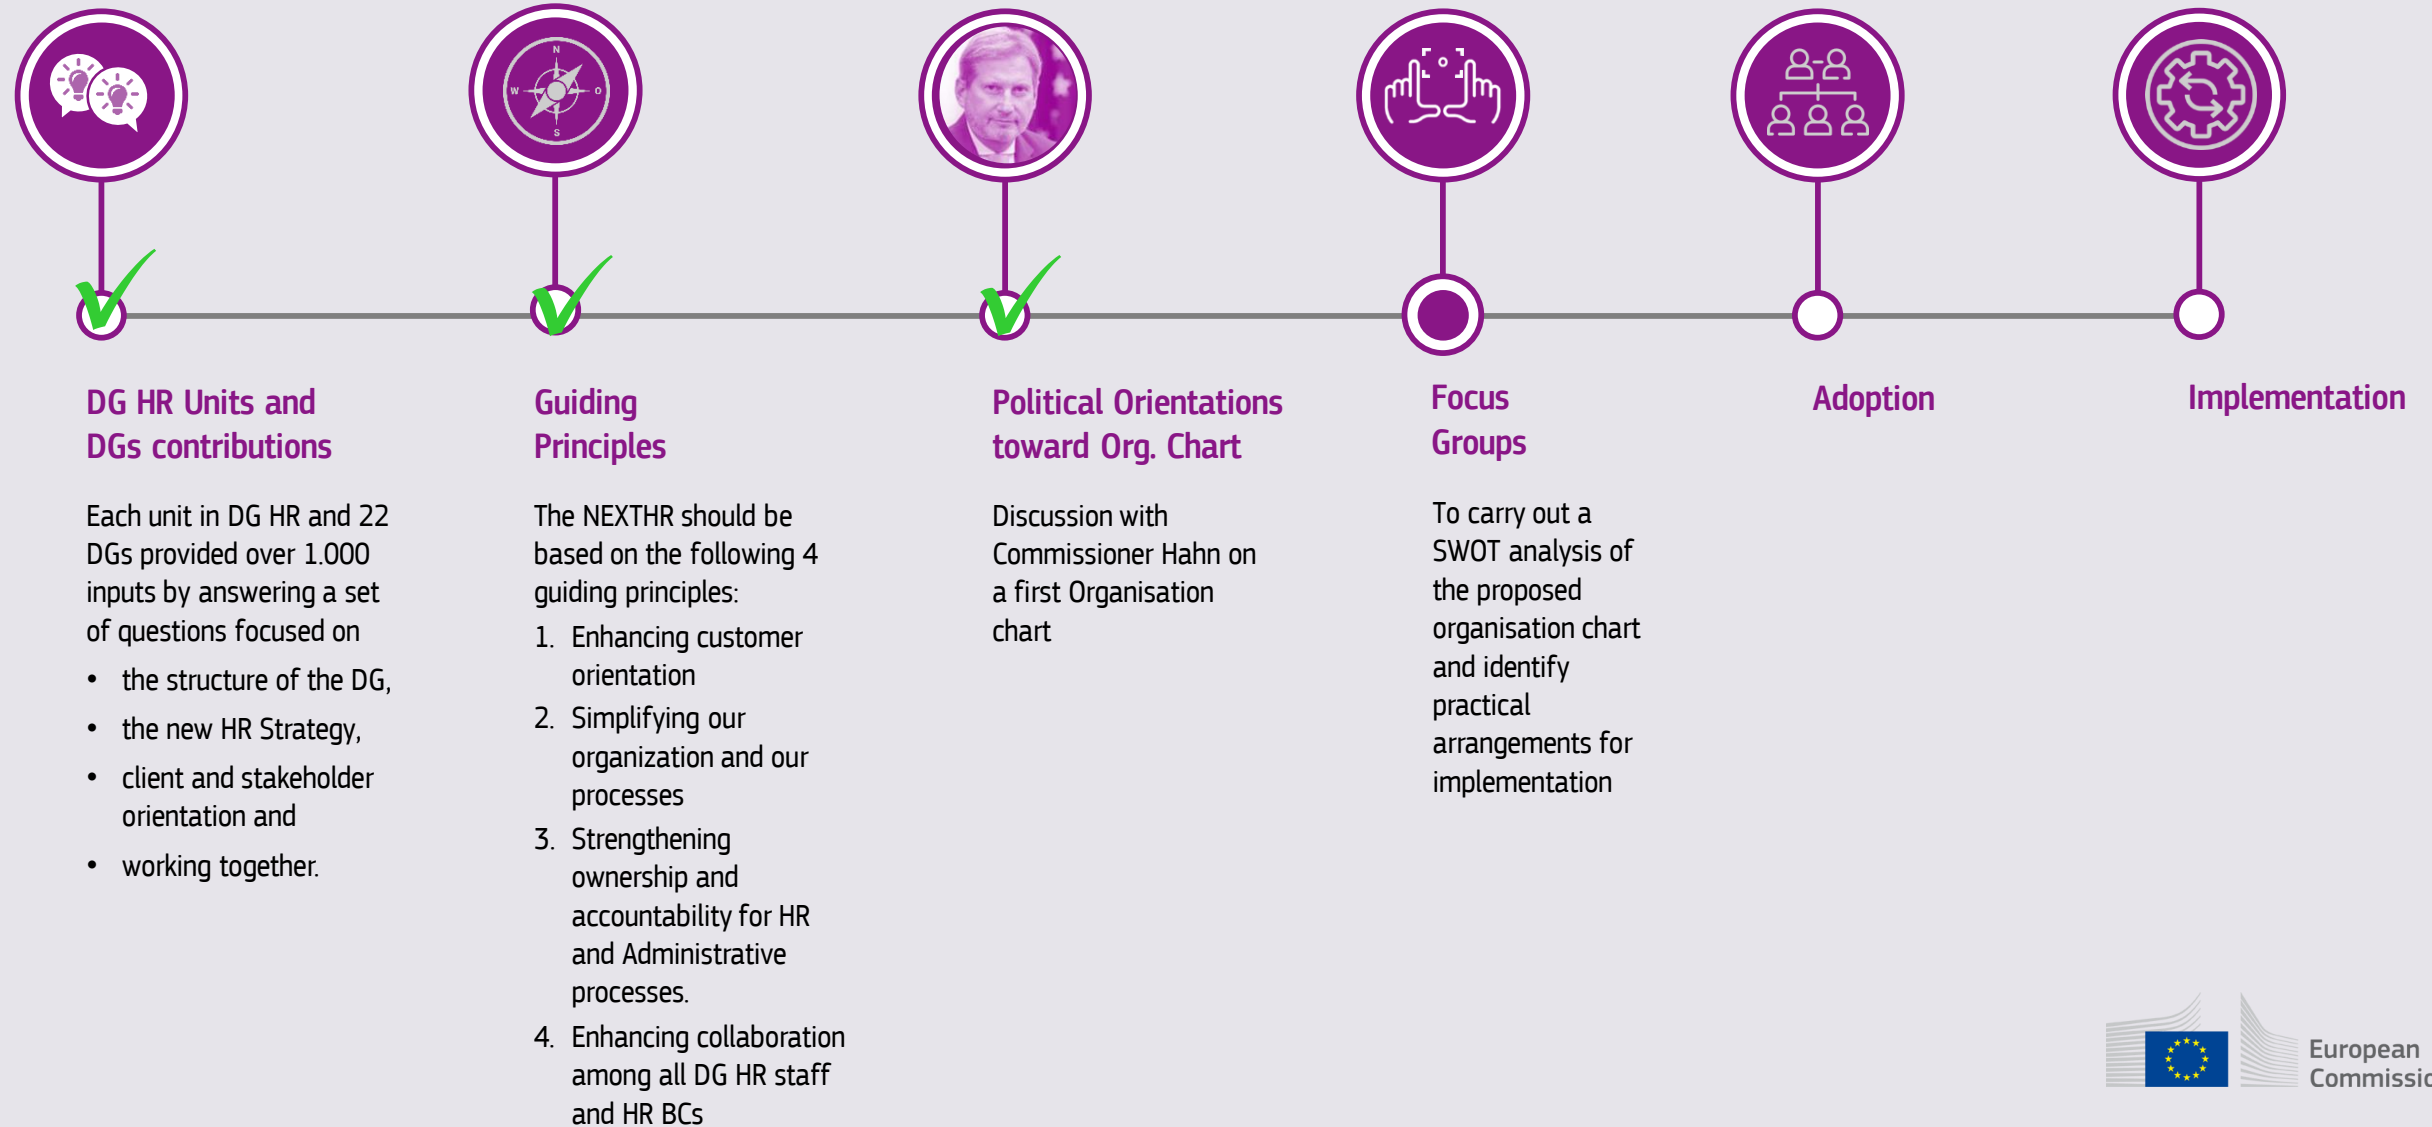

## DISCLAIMER

*This document intends to provide the members of focus groups with a draft organisation chart aiming at identifying strengths, weaknesses, risks and opportunities of the proposed structure, as well as identifying the practical modalities to implement it. The staffing figures are rough estimates only.*

*It does not prejudice the final organisation chart that will be adopted by the College.*

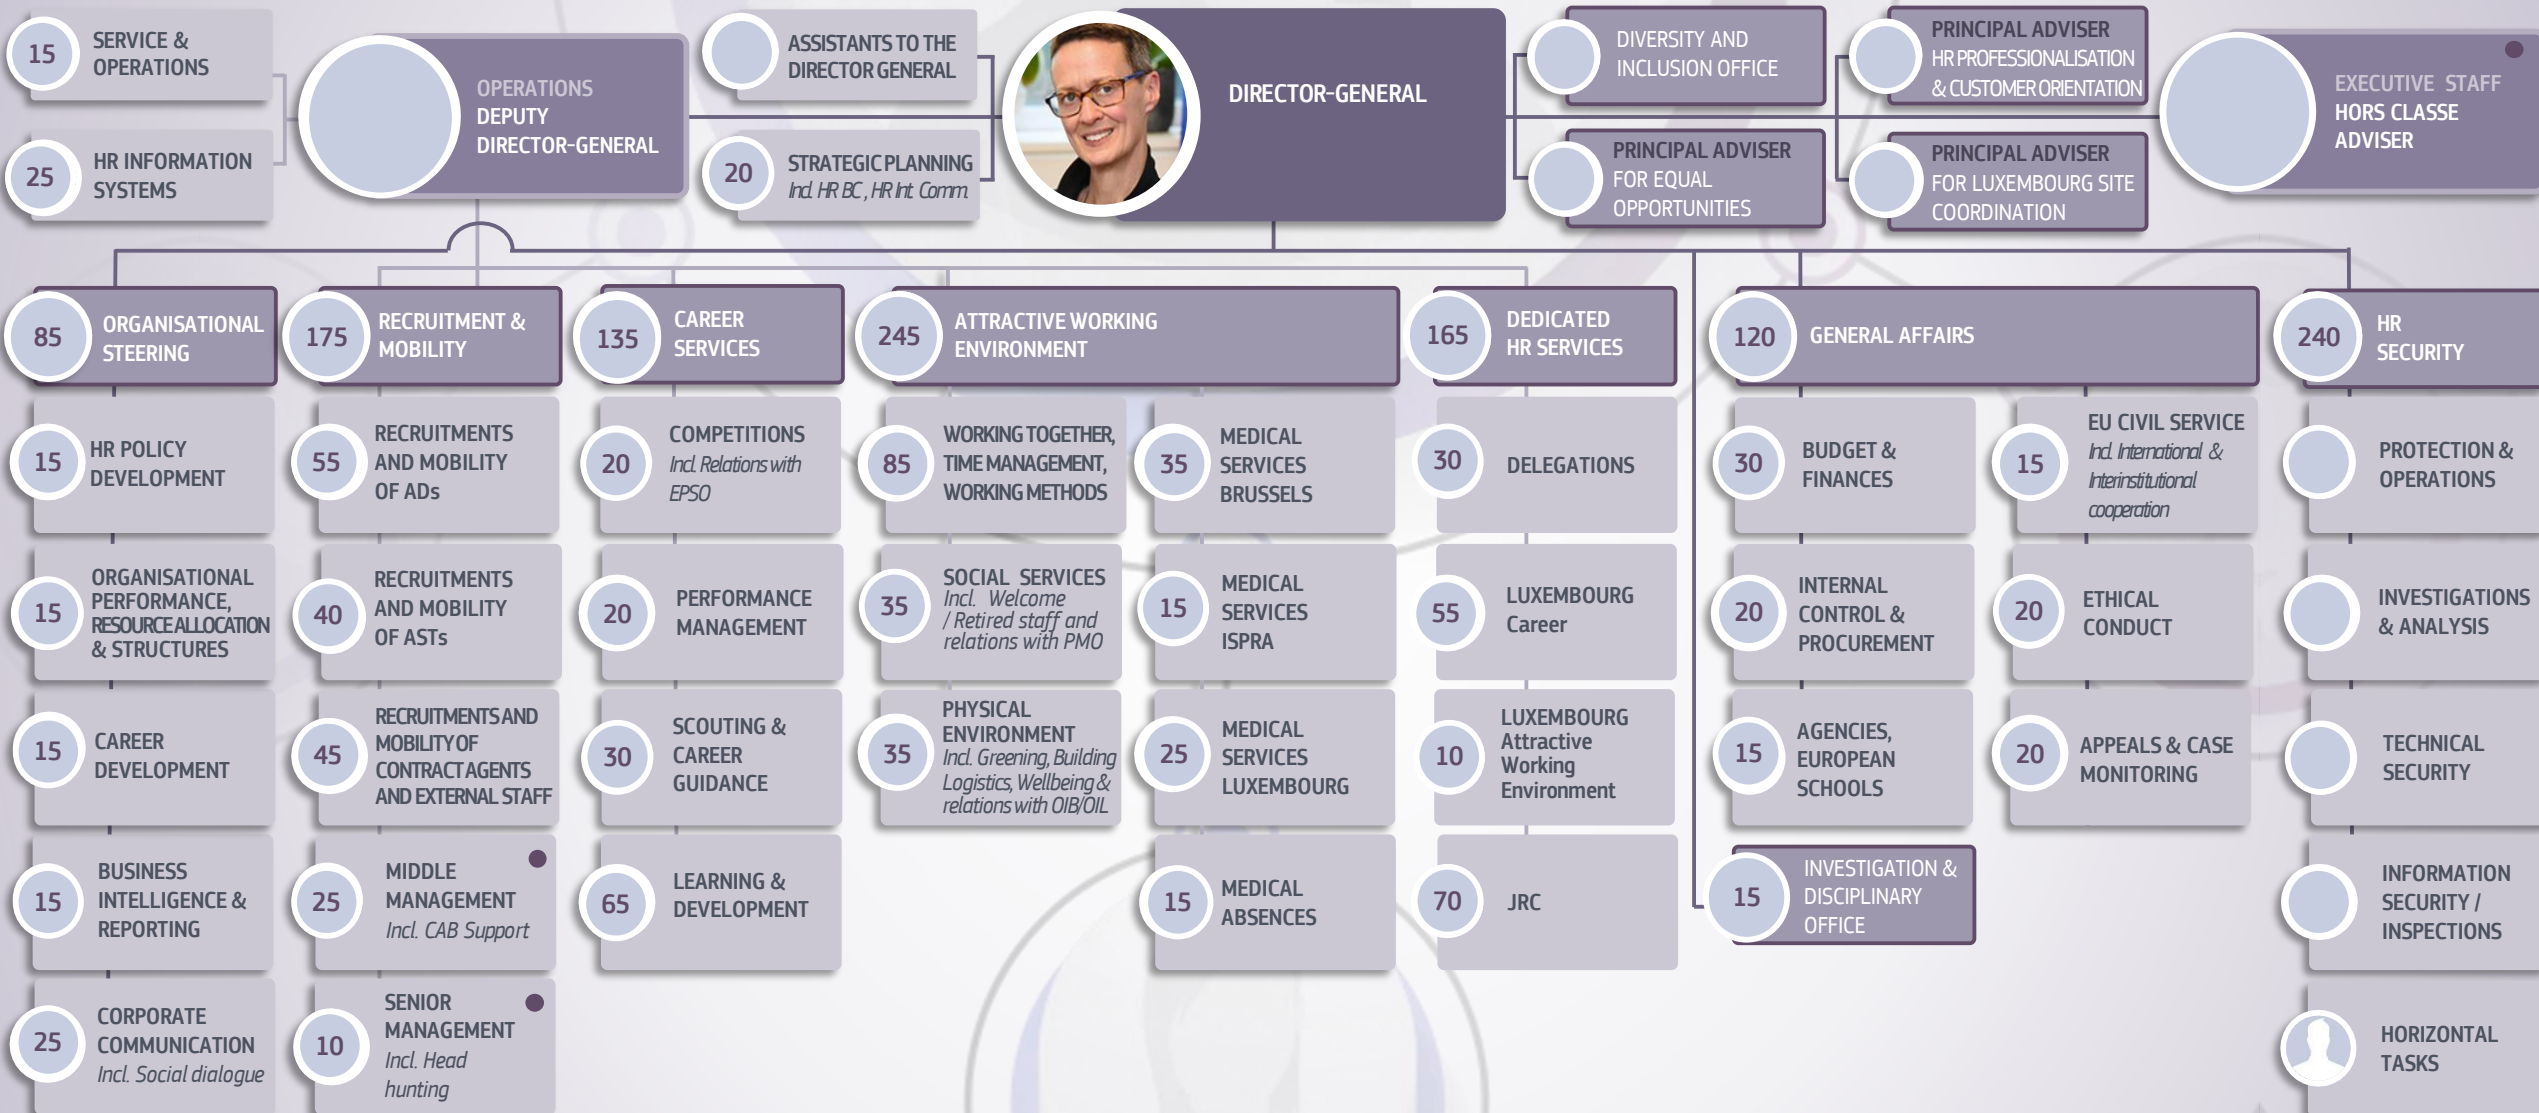

This organisation chart does not include Advisors positions.

○ Units Middle and Senior management have a reporting line to the Hors Classe Adviser for Executive Staff

Working Document 7 June 2021

### FOCUS GROUPS

Focus on the Organisational Structure  
Topics reported by more than one unit

The objectives of the focus groups are:

- To analyse the DG HR Units and DGs contributions, related proposals for improvement, and the **draft organisation chart**.
- To carry out a **SWOT analysis** identifying strengths, weaknesses, risks and opportunities of the proposed structure for the topic assigned to the focus group.
- To identify the **practical modalities** to implement the proposed structure
- The Focus group provides **results** and **recommendations** to the NEXT HR Steering group by the **23 June**.

Each focus group analyses the proposed draft new structure, and assesses the strengths, weaknesses, risks and opportunities of the structure for the related group topic.

1. Would this new structure allow DG HR to provide a **better service to its customers**?
2. Would the proposed structure **simplify our organisation and our processes**?
3. Does the proposed organisation chart **clarify ownership**?
4. Would the proposed structure **strengthen collaboration among all DG HR staff and HR BCs**?
5. What are the **practical modalities** needed to implement the proposed structure?

## 1. Would this new structure allow DG HR to provide a better service to its customers?

*In particular by reducing the number of HR actors from 3 (HR Corporate, HR AMC, HR BCs) to 2 (HR and HR BCs), and by providing opportunities to streamline the processes*

Strengths	What are the advantages of the proposed structure compared to the current one in terms of service to our customers?
Weaknesses	What are the disadvantages of the proposed structure compared to the current one in terms of service to our customers?
Risks	What are the risks related to the proposed structure, what mitigating measures should we implement?
Opportunities	What are the opportunities for further improvement in the coming years?

### Assessment

In addition the leader asks each member to rate the improvement from 1 to 10.

[ww.sli.do](http://ww.sli.do)

## 2. Would the proposed structure simplify our organisation and our processes?

*In particular by reducing the number of HR actors from 3 (HR Corporate, HR AMC, HR BCs) to 2 (HR and HR BCs), and by providing opportunities to streamline the processes*

Strengths	What are the advantages of the proposed structure compared to the current one in terms of simplification?
Weaknesses	What are the disadvantages of the proposed structure compared to the current one in terms of simplification?
Risks	What are the risks related to the proposed structure, what mitigating measures should we implement?
Opportunities	What are the opportunities for further improvement in the coming years?

### Assessment

In addition the leader asks each member to rate the simplification from 1 to 10.

[www.sli.do](http://www.sli.do)

### 3. Does the proposed organisation chart clarify ownership?

*In particular by ensuring that one entity manages the process from beginning to end and delivers a complete service to our clients*

Strengths	What are the advantages of the proposed structure compared to the current one in terms of ownership?
Weaknesses	What are the disadvantages of the proposed structure compared to the current one in terms of ownership?
Risks	What are the risks related to the proposed structure, what mitigating measures should we implement?
Opportunities	What are the opportunities for further improvement in the coming years?

#### Assessment

In additional the leader asks each member to rate the enhancement of ownership from 1 to 10.

[www.sli.do](http://www.sli.do)

## 4. Would the proposed structure strengthen collaboration among all DG HR staff and HR BCs

*In particular by ensuring proper coordination between policy development and implementation, the promotion of project-based working, enhancing collaboration and information flow and by fostering a culture of trust and sense of belonging*

Strengths	What are the advantages of the proposed structure compared to the current one in terms of collaboration among all HR staff and HR BCs?
Weaknesses	What are the disadvantages of the proposed structure compared to the current one in terms of collaboration among all HR staff and HR BCs?
Risks	What are the risks related to the proposed structure, what mitigating measures should we implement?
Opportunities	What are the opportunities for further improvement in the coming years?

### Assessment

In addition the leader asks each member to rate the strengthening of collaboration among DG HR staff and HR BCs from 1 to 10.

[www.sli.do](http://www.sli.do)

## 5. What are the practical modalities needed to implement the proposed structure?

*Focus groups members identify the practical modalities need to ensure a smooth implementation and ensure business continuity. The table below identify some areas, focus groups is free to report others*

Staffing	Allocation of staff, Mobility of staff, recruitment of staff, career talk, communication, training etc...
Information System	Change in Sysper2, change in other Information System
